

REMARKS

The Examiner has indicated that Claims 10-12 and 36-38 would be allowable if rewritten in independent form including all limitations of the base claim and any intervening claims. Claim 1 has been Amended to recite the features included in previous Claim 11, Claim 27 has been Amended to recite the features included in previous Claim 37. New Claim 39 includes all of the features of previous Claim 12. New Claim 48 includes all of the features of previous Claim 10. New Claim 57 includes all of the features of previous Claim 38. New Claim 58 includes all of the features of previous Claim 36. Therefore, the above-recited independent Claims, and all other claims depending therefrom should be allowed.

CONCLUSION

For all of the reasons stated above, Applicant respectfully submits that none of the prior art references relied upon by the Examiner teach or suggest a structure or method in accordance with the present invention. Applicant respectfully submits that Applicant's claimed invention is deserving of patent protection because it describes a useful and functioning structure, which is patentably distinguishable over the prior art.

In conclusion, Applicant respectfully submits that this Amendment, in view of the Remarks offered in conjunction therewith, are fully responsive to all aspects of the objections and rejections tendered by the Examiner in the Office Action. Applicant respectfully submits that they have persuasively demonstrated that the above-identified Patent Application, including Claims 1-9, 27 and 39-58 are in condition for allowance. Such action is earnestly solicited.

It is not believed that this Amendment requires any fee other than the fee for the one-month extension of time of \$110 plus $\$86 \times 2 = \172 for two additional independent claims and $4 \times \$18 = \72 for three additional total claims, the total of which, \$354 is provided in the attached check, but if there are any other fees incurred by this communication, please deduct them from our Deposit Account NO. 23-0830.

Respectfully submitted,

Andrew M. Harris (Jm)
